## Shipping When and Where You Need It

### Liner Shipments

#### Green Leaf Plants® Truck Delivery

Big or small loads, local or regional, Green leaf Plants® delivers your order in ideal condition, at an economical, lower than common carrier rate. Climate-controlled trucks bring product fresh to your door year-round from the Mid-Atlantic to the Midwest, from New England to the deep South.

- Convenient, scheduled delivery during **your hours of operation**
- Climate-controlled trucks
- Racked orders eliminate packaging disposal
- Friendly driver-assisted unloading

#### Small Package

If you are located outside our delivery area, or your order does not meet the minimum for truck delivery, we offer boxed shipments via Federal Express.

- One tray minimum
- No packing charge or fuel surcharge
- Small box available for 1 tray orders
- Larger box holds up to 3 trays

#### Air Freight

- Call for available options

#### Customer Pick-up (Lancaster, PA)

- Available for large or small orders
- Loading docks for your convenience
- No extra charge (unless material is boxed)
- Hours: Monday by appointment; Tuesday - Friday 8:00 am – 4:00 pm

### Unrooted Cutting Shipments

#### Small Package

- Shipped via Federal Express
- Cuttings delivered to your door mid-week
- 3 box sizes
  - Small box: 1,000 URCs
  - Medium box: 3,000 URCs
  - Large box: 6,000 URCs
- Ice packs included in warm weather
