Features and Benefits

- Flowers are fragrant and eye catching
- Vernalization not required
- Excellent pot crop
- Bred by Whetman® Pinks Ltd. English specialists in *Dianthus* since 1936; introduced in U.S. by PlantHaven

Production Option 1:

- Transplant unvernallized liners in fall and bulk in final sales container
- Allow to go dormant in cold greenhouse or outdoors
- Allow plants to flower naturally for sales in late spring

Production Option 2:

- Transplant unvernallized liners in fall to winter and bulk in final sales container
- Move to greenhouse with 55°F night/65°F day temperatures
- Use 4-hour night interruption lighting
- Use this option for Valentine's Day through Mother's Day sales

Production Option 3:

- Transplant unvernallized liners in spring and grow outdoors on drip
- Grow under naturally occurring day length and temperature
- Flower for sales in June or early summer

Based on trials in Lancaster, PA
